### Why You Need Critical Illness Insurance

Surviving a critical illness, such as a heart attack or stroke, may come at a high price. Although many medical plans provide coverage for costs arising from a critical illness, there are still various out-of-pocket expenses that can affect anyone's finances. Copayments, transportation, everyday expenditures, and lost income can add up quickly.

**Limited Benefit Critical Illness Insurance** from American Fidelity Assurance Company (American Fidelity) can assist with the expenses that may not be covered by traditional medical insurance. The plan is designed to pay a lump sum benefit amount to help cover expenses if you are diagnosed with a covered critical illness.
