Why You Need Disability Income Insurance

If your paycheck suddenly stopped today, would you be prepared? Could you afford everyday living expenses and other necessities while maintaining the lifestyle you have been accustomed to? *Disability Income Insurance is a cost-effective solution designed to help protect you if you are unable to work due to a covered injury or sickness.*

How It Helps

- **Salary Protection for You and Your Loved Ones.** The plan makes it easy to help protect your future income in case of a sudden injury or sickness by providing a steady stream of income to cover expenses while you are unable to work.
- **Several Elimination Periods Available.** Based on your individual need, there are various elimination periods for you to choose from. The plan pays a percentage of your gross monthly income once you have satisfied the elimination period.
- **Benefit Payments Made Directly to You.** Your monthly benefit payments may be deposited directly into your bank account. This gives you the freedom to pay your living expenses and make other purchases as you see fit.
